

CWCN Holiday Activities Summer 2021/22

A small morning tea (or dinner snack) is included in all our activities

Thursday, 16th December 2021

Christmas trees and ornaments with a butterfly theme—Workshop

The perfect craft activity for the season. Who needs a snowman when living in subtropical Brisbane? Let's create our own Christmas tree with butterflies and flowers. We have the tree frame and materials. You bring your enthusiasm and love of crafts,, and take a colourful tree home, ready to hang on the wall. It's easy and a lot of fun to use paper and make your very own flowers and butterflies. Parents are welcome to join the fun.

When: 9:30am – 12:30pm

Where: CWCN Centre, 47 Hepworth Street

Who: prep to 14 years old

Fee: \$15 (\$10 for members)

Tuesday, 21st December 2021

The Riff Raff Recycling Band makes music!

Yes, you become the member of a music band. But first we explore sounds, how it's made, how it moves, what makes it loud. We may even let sound make rice dance, and create the sound of an elephant trumpet. Then we create our musical instruments from discarded items like boxes, containers, cardboard rolls, use some decorations. There will be drums, there will be guitars, perhaps a Thongaton. Anything goes as base material. It'll be a very merry group of musicians giving a concert at the end of the morning.

When: 9:30am to 12:00pm

Where: CWCN Centre, 47 Hepworth St, Chapel Hill

Who: Primary school age

Fee: \$15 (\$10 for members)

Tuesday, 11th January 2022

Let's go batty!

Let's check out our nightly neighbours, figure out how and where bats live, find out what it's like to wait for an echo to find a moth to feed on, then catch and eat on the wing. Learn how bat mums find their bat babies when there are thousands in the nursery. We do all this with games and while having fun. Craft activities are a bonus. Once it's dark and after some food, we'll go out and find insect eating microbats while listening to their calls and seeing sonagrams of the same on special devices. With a bit of luck we may see tiny bats flying above us. Don't forget to bring your torches.

When: 4:30pm—7:00pm

Where: CWCN Centre, 47 Hepworth St, Chapel Hill

Who: Primary school age (Parents welcome)

Fee: \$15 (\$10 for members)

Thursday, 13th January 2022

Creepy crawlies & other curious insects

What lives in your garden? There are many little critters hidden from view. Let's beat around the bush (yes, we mean it), check out leaf litter and leaves, look under logs and rocks. Do you have a floury baker in your backyard or a rhinoceros weevil? Did you know that some butterflies use ants as babysitters? What makes up a food chain? Why are there insects above ground and others underground and even in water? This is a great outdoor discovery event, full of wonder and excitement.

When: 9:30am to 12:00pm

Where: CWCN Centre, 47 Hepworth St, Chapel Hill

Who: Prep to primary school age

Fee: \$15 (\$10 for members)

Tuesday, 18th January 2022

Weatherman and weatherwoman at work

La Nina is currently around, and we may or may not have a sunny day. Let's be the weatherman or woman just like we see them on TV. Let's figure out what makes our weather. Why does it rain? How are clouds formed and why are there so many types? We'll check the rain gauge, the temperature, make our own devices to measure the wind speed and the wind direction. Why is it so hot in the tropics and why is there snow somewhere else? How do thunderstorms come about and hail? So many questions. Our budding scientists will figure them out.

When: 9:30am to 12:00pm

Where: Moore Park, off Russell Tce, Indooroopilly, near little wooden bridge.

Who: Primary school age

Fee: \$15 (\$10 members)

Registration Form

Activity	Child's Name	Age	FEE
Thursday, 16th Dec 2021 Christmas tree making \$15 (\$10 member)
